

IMPORTANT RULES – PLEASE READ
Important Bidding Rules & Guidelines

These rules apply to every single individual lot in Lelands auctions: if you wish to bid on any particular lot, your initial bid on that lot must be recorded (entered) before 10 P.M. EST on the closing date of the auction. This will allow you to bid during the extended bidding period (after 10 P.M.). **Note: after the 10 P.M. EST cutoff time, you will not be eligible to bid on any item for which you have not already entered an initial bid before 10 P.M. EST.**

In other words, after 10 P.M. EST on the closing date of the auction, you will only be eligible to bid on those items for which you have entered an initial bid before 10 P.M. EST. **Note: the auction does not end at 10 P.M. EST.** The auction will close on a lot-by-lot basis following the 30-minute extension rule. All lots will close independently. If there is any confusion whatsoever regarding this rule, feel free to call Lelands at (631) 244-0077.

Please call us if you have any questions at all. This includes questions about on-line bidding, further descriptions and conditions, or anything relating to the bidding process. We want to help you, so feel free to call.

TERMS & CONDITIONS

Please read carefully before bidding.

REGISTRATION

New bidders can register either on-line at lelands.com or by calling 631-244-0077 or 631-244-3604. If you have already bid in any of Lelands' previous auctions, you already have a user ID. That user ID is still valid. If you do not remember your user ID or password, please call customer service. Registration requires auction house references. New bidders are required to register no later than the Wednesday prior to the auction closing date at 10 P.M. EST.

BID ASSISTANCE

Operators will be able to handle your calls Monday through Friday 9 A.M. to 5 P.M. The last week of the sale the telephone bidding hours will increase from 9 A.M. to 7 P.M. for your convenience. On the closing day, telephone bidding hours will start at 9 A.M. and go until the auction ends. Registration and bidding may also be done on-line at lelands.com. Please note that Lelands employees and affiliates may be bidding in this or any auction.

AUCTION CLOSING

The auction will close to initial bidders at 10 P.M. EST on the day of closing. **This means that if you have not bid on a lot before 10 P.M. you may not bid on it after 10 P.M.** There are two phases of bidding during this auction: 1) Normal bidding: Bids are taken up until 10 PM EST the night the auction closes. 2) 30 Minute Ending: On a lot-by-lot basis, starting at 10:00 PM EST, any person who has bid on the lot previously may continue to bid on that lot until there are no more bids for 30 minutes. For example, if you bid on a lot during Normal Bidding, you could participate during Extended Bidding for that lot, but not on lots you did not bid on previously. If a bid was placed at 10:15, the new end time for that lot would become 10:45. If no other bids were placed before 10:45, the lot would close. If you are the high bidder on a lot, changing your bid will not extend the bidding during the 30 Minute Ending phase (only a bid from another bidder will extend bidding). If you are the only bidder at 10 PM, you will automatically win the lot at 10:30. Lelands reserves the right, in its sole discretion, to shorten or extend these closing times, as it deems appropriate.

ABSENTEE BIDS

We encourage absentee bids if you are unable to bid by phone or internet. Use the "Absentee Bid Sheet" in the back of a catalogue and mail or fax it to us. Fill in the lot #'s, description and the maximum amount you are willing to pay for each lot. We will place bids on your behalf up to these amounts only as they are bid against competitively by other bidders. All bids will be treated as plus bids and rounded up to their 10% incremental raises. For example, if you have an absentee bid of \$1,000 and the current high bid is \$950, you will be bid to \$1,045 so you can secure the lot. Please bid accordingly. All absentee bids will remain confidential. **Mailed or Faxed Bids on any lots must be received no later than 6 P.M. EST on the closing day of the auction.**

BIDDING INCREMENTS

Bids can be no lower than the "reserve" or minimum price listed in the copy. The current high bid must be raised in increments of at least 10% for items currently at or above \$250 or \$25 for items currently below \$250. Lelands Auctions reserves the right to accept or reject any or all bids, and/or to pull items from the auction in its sole discretion. Placing a bid constitutes acceptance of the terms and conditions of sale as outlined here. Lelands' record of final sale shall be conclusive.

CALLBACKS

As a service to our clients you can arrange a "call back" on any lots that you request (priced over \$500). So, if your bid has been topped we will give you a call back to let you know. Important: we cannot guarantee that we will call you back because of the hectic nature of the Auction. So please check on your items from time to time. We strongly suggest you use absentee bids as a further assurance that your bids are protected. Please make sure you leave us the correct evening and daytime phone numbers so we can reach you. Callbacks will begin after 10 P.M. on the closing date of the auction.

AUTHENTICITY

Lelands stands by the authenticity of everything it sells for a period of three years from the date of the auction. It is up to the client to verify authenticity within that period of time. However, Lelands and its agents will be the final determinant of the authenticity of each and every piece it sells. We are not bound by the opinion of grading services, outside authenticators, or so-called "experts." Letters of authenticity are only available for those pieces where "LOA" is listed in the catalogue copy. Otherwise, your invoice and that alone will serve as your letter of authenticity.

COPYRIGHT

Neither Lelands nor the consignor makes any representation that the purchaser of manuscript material, photographs, prints, or works of art will acquire any copyright or reproduction rights thereto.

FRAMED PIECES

Please be aware that you are bidding on the framed item and not the frame itself. We are not responsible for any damage to the frames themselves, and no refunds will be given due to damage frames. Lelands.com makes great effort to protect framed pieces while in our care and during the shipping process.

ACCEPTANCE OF CONDITIONS

Placement of a bid in this auction constitutes acceptance of these terms and conditions.
